## About Siri Bahadur:

Siri Bahadur's inspiring and uplifting teachings allow you to access the sensitivity of your own subtle energy and discover new aspects of yourself. Siri Bahadur began practicing and teaching Kundalini Yoga in 1974 in Dallas, Texas; he was the head of the Dallas Kundalini Yoga Ashram in the 1980's. Siri Bahadur teaches at Yoga Yoga in Austin, Texas, he is also involved as a teacher in the Yoga Yoga Teacher Training program. Siri Bahadur's yoga classes focus on conscious release of tension, thought patterns, emotions and unproductive habits acquired in your life experience; while creating the intentions that lead to the experience of your energetic, graceful, Infinite, and Divine nature. Teachers who influence his practice include, Guru Ram Das, Yogi Bhajan, Gurucharan Singh, Krishnamurti, and Guru Nanak. His specialty is the use of pranayama, mantra and Yoga of Sound and is an accomplished guitarist and master gong player as well as the artist of the recently released CD *Japa-Sadhana*. Experience transformational and healing yoga, meditation, music, relaxation and incredible gong from which the sounds of the Universe can be heard, felt and experienced deeply!
